Nicat Asgarov

has successfully completed the online, non-credit Professional Certificate

Microsoft Excel

This Professional Certificate recognizes your mastery of Microsoft Excel, including advanced data analysis, visualization, and automation using Excel Copilot and VBA. Throughout the program, you will have developed essential skills in data cleaning, reporting, and dashboard creation, enabling you to automate workflows and enhance productivity. This certificate includes hands-on projects that demonstrate your ability to tackle real-world data challenges, making you a valuable asset in any data-driven role.
